REVIVE 3 second protein care solution

REVIVE is a root treatment infused with the patented ingredient 'Revival Complex' from SALONHANDS. It provides nourishment to damaged hair, coats it with a strong moisture barrier, and protects the hair from losing moisture and proteins, keeping it healthy

No Wash treatment

No need to rinse, Just spray! It's a NO WASH type treatment

Revival Complex

Revive severely damaged hair with Revival Complex (Revival Protein, 5 types of CMC) to instantly restore the hair's surface and achieve soft, reborn hair

Vegan

SALONHANDS Vegan Life for Me and the Earth

Swiss Premium Fragrance

Capturing the Essence of Nature's Aroma with World's No.1 Swiss Premium Fragrance Technology

No need to rinse! Just apply easily to the hair

Revive no-wash treatment allows all nutrients to be effectively absorbed by the hair, enabling you to maintain long-lasting elasticity and a healthy hair condition.

Light weight essence serum type

It doesn't clump or feel sticky, so you can use it refreshingly

2-in-1 Hair Essence + Treatment

Too busy for a treatment? With Revive, you can use it as an essence or treatment, so it's versatile and convenient

Long-lasting intensive care

As a No-wash type, it fills the gaps in damaged hair with protein, providing long-lasting protection for damaged hair

Revival Complex – SALONHANDS Bonding Solution with patented technology

SALONHANDS patented **bonding solution (Revival Protein + 5 types of CMC formula)** fills the hair with protein and nutrients, adding shine and elasticity, and providing smooth management all the way to the hair surface

Revival Complex

(1) Revival Protein : Rose of Jericho, Edelweiss, Phytokeratin, 17 types of Amino acid complex

The Revival Protein, consisting of Revival Buds, Edelweiss, Phyto-Keratin, and Amino Acid Complex, penetrates into the hair, providing nourishment and helping to improve damaged hair.

(2) 5 types of CMC formula : Ceramide, Rice oil, Argan oil, Coconut oil, Hemp seed oil

The Revival Protein, consisting of Revival Buds, Edelweiss, Phyto-Keratin, and Amino Acid Complex, penetrates into the hair, providing nourishment and helping to improve damaged hair.

*CMC, a ceramide in hair components, acts as an adhesive, attaching and repairing split ends.

SALONHANDS' **Vegan Life** for Me and the Earth

Key Ingredient

SALONHANDS

HEALING SCENTS REVIVE

REVIVE, infused with the world's No.1 Swiss premium fragrance

REVIVE Signature

A refreshing burst of citrus that pops like fresh juice in front of your eyes, complemented by a subtle powdery undertone, creating a harmonious fragrance

Top note : Oriental, spicy
Middle note : Warm, citrus, woody
Base note : Powdery, amber

REVIVE Light Volume

A refreshing fragrance with zesty grapefruit notes and the invigorating freshness of coniferous forest, evoking a revitalizing and crisp sensation

Top note : Blackberry, grapefruit, bay leaf
Middle note : Lily, rose, orchid, jasmine
Base note : Musk, sandalwood, vetiver, amber

REVIVE Rich Silk

A pure, cozy, clean, and transparent white musk fragrance, reminiscent of gentle and soapy white soap.

Top note : Orange, grapefruit
Middle note : Tangerine
Base note : Musk

No stickiness! No greasiness!
Micro-emulsion ampoule serum formulation
with excellent absorption

The ampoule serum formulation of NO WASH TREATMENT adheres lightly to the hair upon application to the roots, and Afterward, it transforms into a formulation with viscosity, helping nutrients penetrate deep into the hair for nourishment.

The Specialty of REVIVE

BETTER

- No need to rinse, easy to use No-wash type
- Quick and easy hair care
- Ampoule serum formulation provides lightweight yet effective moisture and nourishment to the hair
- Improves hair roughness and split ends
- Protects hair from heat styling
- Certified by the Korea Vegan Standards Certification Institute
- Paraben/cruelty/sulfate-free

DIFFERENT

- SALONHANDS' patented ingredient 'Revival Complex'
- Fills hair cuticles tightly and smoothly, providing deep nourishment and long-lasting hydration to the hair
- Provides a strong protein adhesion effect, coating the rough hair surface effectively
- Deeply cares for the hair with its heat effect. (*Applicable to Ampoule Serum Treatment)

TARGET

- A customer looking for an easy no-wash type treatment
- A customer seeking quick care for busy mornings
- Hair damaged from frequent heat styling
- Hair that tangles and breaks easily
- Dry and prone to static hair

Revive No-Wash Perfume Treatment Signature 150ml / 30ml

Is treating your hair bothersome? This one is simple!

Signature hair care solution with essential proteins & nutrients for all hair types, providing only what is necessary for hair health. The ampoule serum mist formulation spreads evenly without clumping or heaviness, delivering nourishment and coating effect strand by strand.

Key Point

- Easy and convenient, NO WASH!
- Revival protein for resilient hair
- Boosting nutrition for reduced tangling and split ends

Perfume Healing scents

A burst of fresh citrus fragrance, like exploding with refreshing zest

- Top note : Oriental, spicy
- Middle note : Warm, citrus, woody
- Base note : Powdery, ambery

Target

- Suitable for all hair types
- Damaged hair from frequent bleaching/dyeing
- Medium to coarse hair type

Cure Technological efficacy and benefits

- Patented bonding solution : Penetrates deep into severely damaged hair, enhancing bond strength (Patent No. 0490212)
- Revival Protein : Penetrates tightly into the cuticle layer, providing deep nourishment & moisture supply
- CMC 5 types formula : Forms a protective coating on the hair surface, providing a smooth hair effect
- Hydrolyzed Soy/Wheat/Corn Proteins : Naturally derived protein components that supply moisture to the hair, giving it elasticity
- Ceramide NP: Prevents moisture evaporation, providing a moisturizing coating effect

USE

Spray evenly over the entire hair, about 10cm away from wet or dry hair, applying 3-4 times. No need to rinse! Use without washing!

Revive No-Wash Perfume Treatment Light Volume 150ml / 30ml

Is treating your hair bothersome? This one is simple!

Light Volume for thin and sparse hair, containing essential proteins & nutrients. The ampoule serum mist formulation spreads evenly without clumping or heaviness, delivering nourishment and coating effect strand by strand.

Key Point

- Easy and convenient, NO WASH!
- Revival protein for resilient hair
- Boost volume for limp and lifeless hair
- Reduced frizz and static

Perfume Healing scents

Fresh floral scent with a refreshing touch

- Top note : Blackberry, grapefruit, bay leaf
- Middle note : Lily, rose, orchid, jasmine
- Base note : Musk, sandalwood, vetiver, amber

Target

- For thin hair
- Fine texture
- Sparse and easily flat hair

Cure Technological efficacy and benefits

- Patented bonding solution : Penetrates deep into severely damaged hair, enhancing bond strength (Patent No. 0490212)
- Revival Protein : Penetrates tightly into the cuticle layer, providing deep nourishment & moisture supply

- Rapid improvement of damaged hair with triple protein coating
- Enhanced softness, just like silk

Perfume Healing scents

Luscious scent in the sweet musk family

- Top note : Orange, grapefruit
- Middle note : Tangerine
- Base note : Musk

Target

- Specifically for severely damaged hair
- Long and voluminous curly hair
- Customers with thick, frizzy hair lacking nutrition

Cure Technological efficacy and benefits

- Patented bonding solution : Penetrates deep into severely damaged hair, enhancing bond strength (Patent No. 0490212)
- Revival Protein : Penetrates tightly into the cuticle layer, providing deep nourishment & moisture supply
- CMC 5 types formula : Forms a protective coating on the hair surface, providing a smooth hair effect
- Hydrolyzed Soy/Wheat/Corn Proteins : Naturally derived protein components that supply moisture to the hair, giving it elasticity
- Ceramide NP: Prevents moisture evaporation, providing a moisturizing coating effect

USE

Spray evenly over the entire hair, about 10cm away from wet or dry hair, applying 3-4 times. No need to rinse! Use without washing!

REVIVE Ampoule serum treatment Signature 200ml

The self-heating system enables premium at-home care.

A cream-type formulation that transforms into cream when it comes into contact with cold water. It generates mild heat, deeply penetrating into the hair to fill it with nutrients, providing intensive care for rough and damaged hair

Key Point

- Increased protein absorption with a self-heating system for a steam pack effect on hair
- Home salon premium clinic high-nutrition ampoule treatment
- Immediate recovery for severely damaged porous hair
- Coating and ampoule supply for both outer and inner hair

Perfume Healing scents

A burst of fresh citrus fragrance, like exploding with refreshing zest

- Top note : Oriental, spicy
- Middle note : Warm, citrus, woody
- Base note : Powdery, ambery

Target

- Customers with frizzy and curly hair
- Customers looking for hair products used in salons

Cure Technological efficacy and benefits

- Patented bonding solution : Penetrates deep into severely damaged hair, enhancing bond strength (Patent No. 0490212)
- Revival Protein : Penetrates tightly into the cuticle layer, providing deep nourishment & moisture supply
- CMC 5 types formula : Forms a protective coating on the hair surface, providing a smooth hair effect
- Ceramide NP: Prevents moisture evaporation, providing a moisturizing coating effect

USE

Spray evenly over the entire hair, about 10cm away from wet or dry hair, applying 3-4 times.
No need to rinse! Use without washing!
Alternatively, after shampooing, apply directly to wet hair, massage gently, and then rinse.
